THE WHITE HOUSE
WASHINGTON

Dear Mr. Coolidge:

Many thanks for your letter. I was delighted to hear of the project to create at Plymouth, Vermont a memorial to your father, and I will be very glad to serve as an honorary member of a special advisory board or committee that is to be established.

The story of your father taking the oath of office at Plymouth is one of the great dramatic stories of our country, which will give particular significance to this project.

With every good wish.

Sincerely,

John Coolidge
